- Children have a natural aptitude for music that blossoms in a sufficiently rich music environment, the kind that Music Together provides in class and supports at home. Children can learn to sing and dance as naturally as they learn to walk and talk if parents/caregivers model music making—and participating in Music Together classes makes this easy.
- Young children learn through play and experimentation and by watching and listening to the grownups they love, but parents don't need to have music skills; they just need to be willing to play and have fun with their children!
- Our research-based curriculum not only develops music skills, it nurtures creativity, self-expression and confidence while also supporting social, emotional, cognitive, language and physical development.
- Our mixed-age classes enable siblings to participate together, creating an ideal learning environment where infants, toddlers and preschoolers can freely participate at their own levels.
- Music Together song collections have outstanding arrangements that are fun, sophisticated and loved by children and grownups alike. The music includes a delightful mix of both original songs and traditional tunes from the folk, jazz and world music genres in a wide variety of tonalities and meters, providing a rich buffet of 'ear food.'

### **SPRING TUITION INCLUDES THE FOLLOWING WITH CLASSES DELIVERED VIA ZOOM: .....**

- Live, weekly 'Musical Play Dates' Tuesdays at 6:30 pm, also recorded
- Live, weekly 'Story and Lullaby Times' Thursdays at 6:30 pm, also recorded
- Saturday night dance parties every other week

Many of our Parks and Rec and Community Ed partners process registrations for our classes on their own websites. You'll find links to these on our website under 'Registration,' to the right of the class location and time of your choice.

You can also register for many of our classes directly on our website at [MusicTogetherClasses.org](http://MusicTogetherClasses.org) under 'Registration.'

**QUESTIONS?** Contact Clarice Wilson, Ph.D., Director 651.439.4219 or [Clarice@MusicTogetherClasses.org](mailto:Clarice@MusicTogetherClasses.org)

**REGISTRATION IS ON A FIRST-COME, FIRST-SERVED BASIS** and classes often fill quickly, so please register early to avoid disappointment. We try to limit each class to 12-14 registered children and their accompanying adults and up to two infant siblings. We cannot guarantee your first choice of class times, but will do our best to honor your request and appreciate your flexibility.

Please note that under-enrolled classes (fewer than six children) will be canceled and we will do our best to find

another class time that works for you. If we are not able to find you an alternative class, we will issue a full refund.

**MAKE-UPS** If you miss a class, the recording of it will come to you within a few days, so making up a class is as easy as participating along with the video.

**TUITION/REGISTRATION FEE** For the ten-week Spring Session, tuition for the first registered child in a family is \$189 and \$104 for each additional sibling eight months or older. Infants under eight months on the first day of the spring session (born after July 27, 2020) attend free with a paying sibling. All infants are welcome. If they are not siblings of a paying child, their tuition is \$189, the same as the first registered child in a family. There is a one-time-only registration fee of \$15 for families new to our program. This fee is waived for our Parks and Rec and Community Ed locations. Tuition refunds will be given only if requested at least one week before the start of the spring session, so on or before March 20, 2021. After this date, credit toward future sessions may be issued in special circumstances but refunds are not given. For classes in locations where Parks and Recreation and/or Community Education departments process registrations and take payments, their respective refund policies apply.

## MUSIC TOGETHER IN THE VALLEY SPRING 2021 ONLINE CLASS SCHEDULE

### OUR 10-WEEK SPRING SESSION BEGINS MARCH 27-APRIL 2

All classes listed below are Mixed-Age classes for infants, toddlers, preschoolers and the grownups who love them, with this exception: 'Rhythm Kids' classes are for K-2nd graders and are Tuesdays at 4 pm with Linda.

We are completely online this spring. Yes, our renowned, award-winning music education program is coming to you right in the comfort of your own home. It's safe, convenient, engaging, effective, stress relieving and totally fun.

Even though all of our classes are online, to help us keep them straight, we have organized them below according to the cities where we would normally hold in-person classes. You are welcome to register for any class since geography is not a barrier. However, if you register for a class in one of the cities where we partner with a Parks and Recreation or Community Education department, please register through that agency. When you go to [MusicTogetherClasses.org](http://MusicTogetherClasses.org) under 'Registration' and click on the class location, day and time of your choice, you will be linked to the website of our partner organization if there is one taking registrations for your class.
